BI-11--9---4-----|
GI-10--8---3-----|
DI-12--10--5-----|

now Strum each chord 9 times as they are displayed above the Lyrics. i prefer
cos i think thats how the BB did it but u can strum it up n down if iy suits u better. Whenat the
part of the verse it gets wilder you dont have to be strict on strumming

```
                Gm7                Cm7
If everybody had an ocean, across the Usa
                Gm7                Cm7
Then everybody'd been surfin like Californ-I-A
                Fm7                Cm7
you'd see em wearing their baggies, huarchi sandals too
                Gm7-->Fm7        Cm7
A bushy-bushy blond hairdo, Surfin USA
```

And so on for the rest of the song.
After that weird electric piano-farfissa organ finishes its solo, the guitar plays its
based in the same chords. im not tabing it cos im sure every one of ya will play
diffrent on his own.
