

## Don't say you love me

### Strophe 1:

**E**  
Don't say you love me  
Then jump right out of bed  
**A**  
If I scream at the top of my lungs  
**E**  
It would only hurt my head  
**B**  
Because I know that you're nowhere near  
**E**  
And that's the last thing that I need to hear

### Strophe 2:

Don't say you love me  
But you need a little space  
**A**  
What good is that emotion  
**E**  
If I can't look you in the face  
**B**  
Being made a fool is my biggest fear  
**E**  
And that's the last thing that I need to hear

### Strophe 3:

Don't write love letters  
And start them out "Dear John"  
**A**  
Don't tell me not to leave you  
**E**  
When I'm already gone  
**B**  
And if it's true let me make it clear  
**E**  
That that's the last thing that I need to hear

### Strophe 4:

Don't promise that you'll love me  
Until the end of time  
**A**  
You say you'll deny me  
**E**  
But you're already mine  
**B**  
But it's up to you so don't shed a tear  
**E**  
Because you know damn well what I wanna hear
