Too Much Love Will Kill You

Queen

Intro: |G D|C |G D|C |

G C G
I'm just the pieces of the man I used to be
Em Bm/D C
Too many bitter tears are raining down on me
Am Em
I'm far away from home
Am Em
And I've been facing this alone
D9 D C
For much too long

G C G
I feel like no-one ever told the truth to me
Em Bm/D C
About growing up & what a struggle it would be
Am Em
In my tangled state of mind
Am Em
I've been looking back to find
D9 D C
Where I went wrong

G C
Too much love will kill you
Em D
If you can't make up your mind
G C
Torn between the lover
Em D
And the love you leave behind
G C
You're headed for disaster
Em D/A7
cause you never read the signs
G Cadd9
Too much love will kill you
G D C G D C
Every time

G C G
I'm just a shadow of the man I used to be,
Em Bm/D C
& it seems like there's no way out of this for me.
Am Em
I used to bring you sunshine,
Am Em D9 D C
now all I ever do is bring you down.

G C G
How would it be if you were standing in my shoes?
Em Bm/D C
Can't you see that it's impossible to choose?
Am Em
No, there's no making sense of it,
Am Em D9 D C
ev'ry way I go, I have to loose, oh

G C
Too much love will kill you
Em D
just as sure as non at all.
G C
It'll drain the power that's in you,
Em D
make you plead and scream and crawl.

G C
And the pain will make you crazy,
Em D/A7
you're the victim of your crime:
G Cadd9 G
Too much love will kill you, every time.

G C
Too much love will kill
Em D
It'll make you life a lie
G C
Yes, too much love will kill you
Em D
And you won't understand why
G C
You'll give your life, you'll sell your soul
Em D/A7
but here it comes again
G Cadd9 G
Too much love will kill you, in the end.

All At Once

Jack Johnson

Intro: Am C F Dm C

Am C

All at once, the world can overwhelm me.

C F

There's (almost) nothing that you could tell

Dm C

That could ease my mind

Am

Which way will you run?

C

When it's always all around you

F

And the feeling lost and found you again

Dm C

A feeling that we have no control

Am

Around the sun, some say

C

It's gone be the new hell, some say

F

It's still too early to tell, some say

Dm C

Some say it (really) ain't no myth at all

Dm G

We keep asking ourselves

C F

Are we really strong enough?

Dm G

There're so many things

C F

That we got too proud of

Dm G

Too proud of, too proud of

C

I want to take the preconceived

G

Out from underneath your feet

F

We could shake it off

C

Instead we'll plant some seeds

C

We'll watch them as they grow

G

And with each new beat

F

From your heart the roots grow deeper

C F

The branches, well they reach for what?

C

me Nobody really knows

F

But underneath it all

C

There's this heart all alone

F

Fm

(But) What about when it's gone?

C E

It really won't be so long

F

Sometimes it feels like a heart

G

C

Is no place to be singing from at all

C

There's a world we've never seen

G

There's still hope between the dreams

F C

The weight of it all could blow away with a breeze

C

But if you're waiting on the wind

G

Don't forget to breathe

F

Because as the darkness gets deeper

C F

We're sinking so we reach for love

C

At least something we can hold

F

But I'll reach to you

C

From where time just can't go

F Fm

What about when it's gone?

C E

It really won't be so long

F

Sometimes it feels like a heart

G

C

Is no place to be singing from at all .

Chorus (2x)

Die Zeit heilt alle Wunder,
wenn du sie gut verschnuerst.

Bind nur die Stelle gut ab,
bis du garnichts mehr spürst.

Du weisst, ein Feuer geht aus,
wenn du es länger nicht schürst
und du weisst, dass du besser
an alte Wunder nicht rührst.

Hm Und auch das größte Wunder geht vorbei
Hm und wenn es dich nicht loslässt,
zähl bis drei und es geht vorbei,
es geht vorbei.

Du kommst auf die Welt,
um dir den Kopf zu verdrehn,
du lachst über Hunde
und deine eigenen Zehn,
du bleibst, kaum kannst du laufen,
alle zwei Meter stehn
und du fällst auf die Knie,
um noch ein Wunder zu sehn.

Hm Am nächsten Wunder ziehn sie dich vorbei
Hm und der, der dich am Arm hält, zählt bis drei
und es geht vorbei, es geht vorbei,
D (hold) es geht vorbei ($\times 3$), es geht vorbei _____

Die Zeit heilt alle Wunder
schon nach wenigen Jahren ($\times 3$)
bis nur noch Narben da wo Wunder warn.

Wann wirst du endlich lernen,
dir nicht den Kopf zu verdrehn?
Du fällst über Hunde und deine eigenen Zehn.
Du kannst kaum grade laufen,
bleibst alle zwei Meter stehn
und du fällst auf die Knie,
damit die Wunder dich sehn.

Hm Das zehnte Wunder zieht an dir vorbei.
Hm Du betest, dass es stehn bleibt, zählst bis drei
und es geht vorbei, es geht vorbei,
D (hold) es geht vorbei ($\times 3$), es geht vorbei _____

| Chorus

Die Zeit heilt, und alle wundern
Hm sich nach all den Jahrn,
dass nichts bleibt als ein paar Stunden,
Hm da wo Wunder warn.

Die Zeit heilt, und alle wundern
Hm sich nach all den Jahrn,
dass nichts bleibt als ein paar Stunden,
Hm und Narben da wo Wunder warn.

Intro: D F#m G A

Verse 1:

D F#m G A

Cross the border, into the big bad world

D F#m

Where it takes you about an hour just to cross the road,

G A D F#m

Just to stumble across another poor old sole , From the dreary old lanes to the High Street madness,

G A D F#m

I fight with my brain to believe my eyes. And it's harder than you think to believe this sadness,

G A

It creeps up my spine and haunts me through the night

Chorus:

Bm7 G

Life is good, and the girls are gorgeous, Suddenly the air smells much greener now

Bm7 A

And I'm walking around with a half pack of cigarettes, Searching for the change I've lost somehow

Verse 2:

D F#m G A

Where'd the days go? When all we did was play

D F#m

And the stress that we were under wasn't stress at all

G A D F#m

Just a run and a jump into a harmless fall from walking by a high-rise to a landmark square

G A D F#m

You see millions of people with millions of cares. And I struggle to the train to make my way home

G A

I look at the people as they sit there alone

Chorus

Go, Johnny, go! Go! Johnny B. Goode

Verse 2:

He used to carry his guitar in a gunny sack,

Go sit beneath the tree by the railroad track.

Old engineers would see him sittin' in the shade,

Strummin' with the rhythm that the drivers made.

When people passed him by they would stop and say,

'oh, my but that little country boy could play'

Chorus

Verse 3:

His mother told him, 'someday you will be a man,

You will be the leader of a big ol' band.

Many people comin' from miles around

Will hear you play your music when the sun go down.

Maybe someday your name'll be in lights,

Sayin' 'Johnny B. Goode tonight"

Folsom Prison Blues

Johnny Cash

Intro: B E A G

Strophe 1:

E
I hear the train a comin'
It's rollin' 'round the bend,
And I ain't seen the sunshine,
E7 EEF#G#
Since, I don't know when,
A
I'm stuck in Folsom Prison,
E
And time keeps draggin' on,
B7
But that train keeps a-rollin',
E
On down to San Antone.

Strophe 2:

E
When I was just a baby,
My Mama told me, "Son,
Always be a good boy,
E7 EEF#G#
Don't ever play with guns,"
A
But I shot a man in Reno,
E
Just to watch him die,
B7
When I hear that whistle blowin',
E
I hang my head and cry.

Solo

Strophe 3:

E
I bet there's rich folks eatin',
In a fancy dining car,
They're probably drinkin' coffee,
E7 EEF#G#
And smokin' big cigars,
A
But I know I had it comin',
E
I know I can't be free,
B7
But those people keep a-movin',
E
And that's what tortures me.

Strophe 4:

E
Well, if they freed me from this prison,
If that railroad train was mine,
I bet I'd move out over a little ,
E7 EEF#G#
Farther down the line,
A
Far from Folsom Prison,
E
That's where I want to stay,
B7
And I'd let that lonesome whistle,
E
Blow my blues away.

No woman, no cry, no woman no cry (2x)

Said I remember when we used to sit
C G/B Am F
In the government yard in Trenchtown
C G/B Am F
Oba, observing the hypocrites as they would

In this bright future you can't forget your past
C G/B Am F
So dry your tears I say, and

No woman no cry, no woman no cry
Here little darlin', don't shed no tears, no woman no cry

Said I remember when we used to sit
In the government yard in Trenchtown.
And then Georgie would make a firelight
As it was love would burn in through the night.
Then we would cook cornmeal porridge
Of which I'll share with you.
My feet is my only carriage,
So, I've got to push on through, but while I'm gone

C G/B Am F G
Ev'ry thing's gonna be alright. Ev'ry thing's gonna be alright.
Ev'ry thing's gonna be alright. Ev'ry thing's gonna be alright.

No woman, no cry...No woman, no cry.
Here little sister, don't shed no tears, no woman, no cry.

repeat 2nd verse

No woman no cry, no woman no cry
Oh my little darlin', don't shed no tears, no woman no cry
Oh my little darlin', don't shed no tears, no woman no cry
Here little sister, don't shed no tears, no woman no cry, because
Ev'ry thing's gonna be alright. Ev'ry thing's gonna be alright.
Ev'ry thing's gonna be alright. Ev'ry thing's gonna be alright.

JOHNNY B. GOODE

(CHUCK BERRY)

A

1. Deep down in Louisiana, close to New Orleans,

Way back up in the woods among the evergreens,

D

There stood a log cabin made of earth and wood

A

Where lived a country boy named Johnny B. Goode

E

Who never ever learned to read or write so well,

A

But he could play the guitar just like a ringin' a bell.

Refrain:

A

Go! Go! Go, Johnny, go! Go!

D

Go, Johnny, go! Go!

A

Go, Johnny, go! Go!

E

A

Go, Johnny, go! Go! Johnny B. Goode

2. He used to carry his guitar in a gunny sack,

Go sit beneath the tree by the railroad track.

Old engineers would see him sittin' in the shade,

Strummin' with the rhythm that the drivers made.

When people passed him by they would stop and say,

'oh, my but that little country boy could play'

Refrain

3. His mother told him, someday you will be a man,

You will be the leader of a big ol' band.

Many people comin' from miles around

Will hear you play your music when the sun go down.

Maybe someday your name'll be in lights,

Sayin' 'Johnny B. Goode tonight'

I'm wasting my time I got nothing to do.
Am Em
I'm hanging around, I'm waiting for you.
Dm Em Am G Am
But nothing ever happens - and I wonder.

I'm driving around in my car.
I'm driving too fast, I'm driving too far.
I'd like to change my point of view.
I feel so lonely, I'm waiting for you.
But nothing ever happens - and I wonder.

Refrain:

C G
I wonder how, I wonder why,
Am Em
Yesterday you told me 'bout the blue blue sky.
F G C G
And all that I can see is just a yellow lemon tree.
C G
I'm turning my head up and down.
Am Em
I'm turning, turning, turning, turning, turning around.
F D/F# Gsus4 G
And all that I can see is just a yellow lemon tree.

I'm sitting here, I miss the power.
I'd like to go out taking a shower,
but there's a heavy cloud inside my head.
I feel so tired, put myself into bed
where nothing ever happens - and I wonder.

E Am
Isolation - is not good for me.
G C E
Isolation - I don't want to sit on a lemon tree.

Am Em
I'm stepping around in a desert of joy.
Am Em
Baby anyhow I'll get another toy
Dm Em Am G Am
and everything will happen - and you'll wonder.
