Stuck with me

2 x **E5   C#5 B5   A5**

Strophe 1:
E5   **B5**
I'm not part of your elite I'm just alright
A5   **B5**
Class structure waving colors
A5   **B5**
Bleeding from my throat
E5   **B5**
Not subservient to you I'm just alright
A5   **B5**
Down classed by the powers that be
A5   **B5**
Give me loss of hope

Chorus:
C#5   **A5**   **E5**
Cast out... Buried in a hole
C#5   **A5**   **E5**
Struck down... forcing me to fall
C#5   **A5**   **E5**
Destroyed... giving up the fight
            A5   **B5**   **E5**
Well, I know I'm not alright

Strophe 2:
E5   **B5**
What's my price and will you pay it if it's alright?
A5   **B5**
Take it from my dignity
A5   **B5**
waste it until it's dead
E5
Throw me back into the gutter
                  B5
'Cause it's alright
A5   **B5**
Find another pleasure fucker
A5   **B5**
Drag them down to hell
