Scattered

4 x **B A G# E**

<u>Strophe 1:</u>
```
        E                                    G#
Well, I've got some scattered pictures lying on my
bedroom floor.
   A                             B
Reminds me of the time we shared.
B
   Makes me wish that you were here. Well,
E                               G#
Now it seems I've forgotten my purpose in this life.
A
All the songs have been erased.
B
Guess I've learned from my mistakes.
```
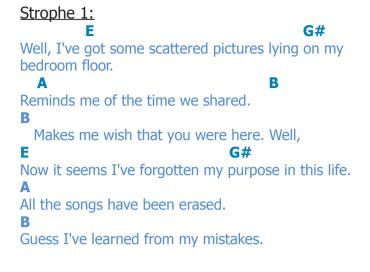

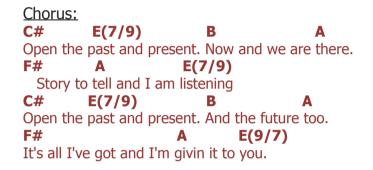

<u>Chorus:</u>
```
C#       E(7/9)        B              A
Open the past and present. Now and we are there.
F#       A          E(7/9)
   Story to tell and I am listening
C#       E(7/9)          B              A
Open the past and present. And the future too.
F#                A         E(9/7)
It's all I've got and I'm givin it to you.
```

<u>Strophe 2:</u>
```
E                                    G#
Loose ends tied in knots. Leaving a lump down in my
throat.
A                                B
Gagging on a souvenir.
B
Lodged to fill another year.
E                               G#
Drag it  on  and  on  until my skin is ripped to shreads.
A
Leaving myself open wide
B
Living out a sacrifice.
```

<u>Chorus:</u>
```
C#       E(7/9)        B              A

   Story to tell and I am listening
C#       E(7/9)          B              A
Open the past and present. And the future too.

B          A  G# E

        B              A G# E
  If you got no one
        B              A G# E
and I've got no place to go,
        B              A G# E
would it be alright?
        B              A B
Could it be alright?
```
